Two-Factor Authentication

1. Input

Please input activation details:

Country or Region code / Mobile phone number

Hong Kong (852)

Remark: Due to security reasons, if you wish to change your mobile phone number, please fill in the "Notification Form for Change of Personal Particulars" form and mail to our company, or visit any branch of the Bank of East Asia to register a new number.

EAS Authentication Message*

(3-12 characters and Chinese characters are not accepted)

Language

☒ Chinese
☐ English

Once activated the Two-factor Authentication, we will send an One-time Password ("OTP") through SMS to your registered mobile phone number. After entering the OTP, you will be able to access our Online Securities Services.

Important Note

East Asia Securities Company Limited ("EAS") shall not be involved in or in any way liable whatsoever to any dispute between the mobile phone service providers and customers or between the mobile phone service providers and any third party.

There may be subject to other extra costs and/or fees charged by the mobile phone service provider selected by customers for the provision of the services in relation thereto, including but not limited to the charges for using the SMS, and the roaming charges, and that all such charges shall be borne by the customers. And customers should contact their mobile phone service providers for information details.

#SMS messages for "One-time Password" cannot be forwarded to any other phone number, even if you have enabled the "SMS Forwarding" service provided by mobile phone service providers in Hong Kong.

*The "EAS Authentication message" will appear on your mobile phone to identify the sender (EAS) of SMS communications in future. Please assign a clause or some wordings as you wish for the purpose of verification of such communications.
