The image consists of three vertically stacked screenshots from the BEA SmarTrade mobile application.

- Screenshot 1:** Shows the "Settings" menu. The "Enable SmarTrade i-Token" option is highlighted with a blue circle, indicating it has been selected.
- Screenshot 2:** A confirmation screen titled "Simplify your online trading experience". It features two icons: a red QR code and a red fingerprint. Below the icons, text reads: "After enabling SmarTrade i-Token, you can log in to BEA Investment Online faster and more securely using your SmarTrade i-Token password or biometric recognition." Two checkboxes are present:
  - 本人（等）确认本人（等）已阅读及理解条款及细则，亦同意受其约束（请按以下“下载”按钮阅读及储存条款及细则）。
  - 本人（等）接受并允许东亚证券使用本人（等）的数据作为通讯方式并接收所有在线交易通知。A large red "立即启动" (Launch Now) button is at the bottom.
- Screenshot 3:** An identity verification screen titled "Identity Verification". It asks for a character from an ID card. The text says: "Please enter the character of the ID card (e.g., the second character of the ID number A123456(7) is 1)". Below this, a numeric keypad shows the sequence: A, 1, 2, 3, 4, 5, 6, (7). Three asterisks are shown below the keypad. A large red "Next Step" button is at the bottom.
